## SWEEPSTAKES CRITIQUE - Judge Cheryl Poliak

Thank you for the honor of judging Puppy & Veteran Sweepstakes at your Specialty. I enjoy coming out because your hospitality is always the best, everyone is friendly and your Beardies are of excellent quality.

As usual, I look for a Beardie with good shoulder and matching rear angulation, clean movement coming and going, free and easy with reach and drive, length of body with a long ribcage, no extremes or exaggeration, and a typical Beardie temperament. The breeders know what to show me, and I saw plenty of nice Beardies here. In many cases, I had to nitpick between the placements. *Cheryl Poliak*

### PUPPY SWEEPSTAKES

**Best in Sweeps** – Meadows' Stars In His Eyes

**Best Opposite in Sweeps** – Aellen Not So Plain Jane

### PUPPY 12 – 16 MONTHS DOGS

1' SEBRING ROLLIN INTHE DOUGH – Brown, masculine, good shoulder angulation, really nice prominent prosternum, quite angulated rear, good bone, beautiful movement with reach and drive. I loved this puppy, and he was very close for Best in Sweeps. He had a very thick coat, and it hid his nice long neck, but you just need to put your hands on him to find it and he needs to mature into that rear angulation.

2. AELLEN WAGSALOT FOREVER - Black, very nice puppy who needs some more ring time to know what he is supposed to do. He was well balanced with a nice strong rear, and had good substance.

## PUPPY 16-20 MONTHS DOG

1. MEADOWS' STARS IN HIS EYES – **Best in Sweeps** – Brown, great shoulder angulation, matching rear, clean coming and going with smooth, free and easy movement, long dog with length coming from the rib. This dog did not carry the heavy puppy coat that so many others do, and there was nothing extreme about him. His owner was very new to showing, and did a fine job against the pro handlers and the very experienced breeder owner handlers.

2. NOW AND THEN VANDERBUILT WITH MCCRYSTAL – Black, very nice masculine boy with very good shoulders, lots of thick puppy coat, still learning with his handler. He was getting strung up on the down and back, causing him to lean away from her and to kick up in the rear. Later in the specialty when they became more of a team, he moved very nicely, straight and clean coming, with good reach and drive.

## PUPPY 12-16 MONTHS BITCHES

1. AELLEN NOT SO PLAIN JANE – **Best Opposite Sex in Sweeps** – Black, very pretty girl with excellent shoulders and matching rear, nice long neck, and smooth, easy movement. She sometimes was a little silly on the go around, but puppies do that. I was smitten with her. With a little more ring experience and confidence, she will go a long way.

2. AELLEN SHE TAKES THE CAKE – Blue, lovely littermate to 1<sup>st</sup>. Wonderful shoulders with matching rear. Just needs some confidence that will come with ring experience.

## PUPPY 16-20 MONTHS BITCHES

1. SEBRING SECOND TO NONE AT SPRINGHILL – Black, nice girl with a lot of substance, decent shoulder, clean coming and going.

## VETERAN SWEEPSTAKES

I LOVE the veterans. Thank you for showing them to me. They were so happy to be out showing again and I enjoyed seeing them. All were a credit to their breeders and owners great loving care.

## VETERAN 7 YEARS & UNDER 10 YEARS DOG

1. PENTANGLE'S FOREVER AND BACK – **Best in Veterans Sweeps** – Black beautiful, 8 yr old masculine boy with very nice angles and structure, which showed in his wonderful balanced, easy, reaching movement. The quality and type I like.

## VETERAN 10 YEARS & OVER DOGS

1. GCH PENTANGLE ROCK'N RYLAND P RN TDX HXAS OA OAJ OF NJP – Black, 12.5 yr old, same breeding as above boy, but from an earlier litter. I admire this dog every time I see him. He was in fit condition, with excellent shoulders and matching rear angulation, long neck, long body, just starting to show his age. A wonderful Beardie.

2. GCH WILLOWISP NEVER SAY NEVER - Brown, 10 yr old masculine, quality Beardie. Great shoulder angulation, matching rear, clean movement with reach and drive. A very handsome dog.

## VETERAN 7 YEARS & UNDER 10 YEARS BITCH

1. HEADLINE'S UPCOMING NEWS – **Best Opposite in Veteran Sweeps** – Black, 7 yrs, lovely girl with great shoulders, matching rear and balanced movement.

## VETERAN 10 YEARS & OVER BITCH

1. LONETREE STEP IN TIME – Black, grand lady who I was told was 15 yrs! It was heartwarming to see her doing so well and loving her owner. She was in excellent condition and it was obvious she is very loved.

## REGULAR CLASSES CRITIQUE - Judge Robert Lamm

I was honored to be invited to judge your specialty. Thank you. Many thanks are also due to the show committee for making all the show arrangements and providing beautiful trophies. I would also like to thank my ring steward for keeping me on track. But most of all, thanks to the breeders and exhibitors for bringing all of the beautiful Beardies for me to judge. It was a pleasure.

For the most part, I did not see any significant issues. All of the bites were good, and most of the dogs were well-proportioned (5:4). I did not see much problem with dogs being over the standard at the withers. I did see some eyes that I thought were too light. Blue and fawn dogs will have a lighter eye, but it still should "tone with the coat color." A too light eye negatively affects the expression.

I will admit that I was a bit concerned with having five awards of merit and a relatively small specials entry. (For the Garden State specialty, we have moved to using a percentage rather than a fixed number.) But, my concern was unfounded. All of my final placements in the Best of Breed class were deserving, high quality dogs.

## 12-18 MONTH DOG

1. NOW AND THEN VANDERBILT WITH MCCRYSTAL – Good shoulders and prosternum, good angulation. Good length of body. Darkly pigmented. Best mover in the class. This was **Reserve Winners Dog**.

2. AELLEN WAGSALOT FOREVER – A close second to #1. Also well-constructed and nicely pigmented. A good mover.

3. HEARTSTONE "OVER THERE, OVER THERE" - A solid well-constructed dog. Not quite as much angulation and movement as 1 and 2.

## AMATEUR-OWNER-HANDLER DOG

1. MEADOWS STARS IN HIS EYES – This was a single dog class. A brown dog at full fade. Good construction with easy balanced movement.

## BRED BY EXHIBITOR DOG

1. SEBRING ROLLIN IN THE DOUGH – This was a single dog class. A brown dog going through color change. Very good shoulder angulation and prosternum. Good length of body. Covers a lot of ground with good reach and strong drive. This was **Winners Dog and Best of Winners**.

## OPEN DOG

1. CHANTILLY'S MASTERMIND – Covers ground easily. I would like to see a bit more length of body.
2. GLENWOOD'S DR. FEEL GOOD – Nice blue dog with long body with good angulation. Moves easily, but a bit plodding. Eye was a bit light.
3. PENTANGLE'S UP UP AND AWAY TO HEADLINES – A good mover. Very dark and nicely pigmented. I thought this dog was a bit high at the withers.
4. SKYEDANCE HAPPY AS A LARK – For a male, I would like to see a bit more substance.

## 12-18 MONTH BITCH

1. AELLEN NOT SO PLAIN JANE – Nice length of body with good shoulders and movement. Dark eye. In Winners Class she won me over with her easy, ground covering movement.

### Winners Bitch.

2. SEBRING SECOND TO NONE AT SPRINGHILL – Good length of body. Dark eyes. I would like to see more angulation, but this bitch uses what it has well.
3. AELLEN SHE TAKES THE CAKE – A good mover. I would like to see a darker eye, and a bit more length of body.

## BRED BY EXHIBITOR BITCH

1. PENTANGLE'S QUEEN OF EVERYTHING – This was a single dog class. Nice blue bitch with good shoulder angulation and prosternum. Good length of body. I would like to see a darker eye and a bit more substance.

## AMERICAN BRED BITCH

1. XTC's ACROSS THE UNIVERSE – This was a single dog class. This dog did not seem to have much ring experience.. Black coat was a bit wavy. I would like to see a bit more angulation and movement.

## OPEN BITCH

1. DUNNACHIE TREASURE LIKE FYVIE – Good shoulders and nice length of body. Best mover in the class. This was **Reserve Winners Bitch**
2. PENTANGLE'S GO ASK ALICE – Dark black bitch with dark eye. Good length of body. I would like to see more angulation and movement.
3. HIGHLANDER BEYOND WILDEST DREAMS – Dark black bitch with dark eye. Good length of body. I would like to see more angulation and prosternum. Not quite as much side movement as #2.
4. BRITANNIA BADDABING – Good pigmentation and shoulders. I would like to see more length of body.
