**Northern California Bearded Collie Fanciers Specialty – June 6<sup>th</sup>, 2014**

Thank you so much for the privilege of judging Puppy and Veteran Sweepstakes at the regional specialty. The club went all out in offering a quality event. Woofstock was a riot and an experience to remember. Thank you to those that entered.

The entries in Sweeps were small but there were many promising, upcoming dogs and bitches that I will keep a close eye on as they grow. Several I would have been proud to take home. I was pleased to see an improvement in upper arms, shoulders, loins, and reach in puppies since I last judged in the US. The veterans were top quality and their level of fitness was extraordinary. For those with pups, please remember they need some structured exercise appropriate to their age to strengthen muscles and ligaments, and support growing bones.

**Puppy Sweepstakes**

The placements in the puppy classes were based on very fine elements and easily could have gone differently. Placements came down to movement. I was looking for clean single tracking up and back, and easy, full, balanced reach and drive on side movement.

**12-16 Month Dogs**

1 and **Best Puppy in Specialty Sweepstakes** 33 - **Dunnachie Xavier**. Eye-catching dark blue and white 13-month old. Long muzzle; wide, rounded under jaw; strong head. Proper eye set and color toned to coat. Lovely harsh coat coming in. Strong bone, shoulder assembly and forechest. Chest needs to mature. Effortless, ground covering movement. Balanced angles front and rear. Lovely top line with proper tail carriage. Happy to work for his handler but didn't like standing still. He's a natural and must have known I'm a sucker for a quality blue.

2 35 - **Aellen The Son Also Rises**. 12-month old slate in his light phase. Happy, confident, well-proportioned boy with free flowing side movement. Strong head with inquiring expression. Lovely length for a dog of his age. Well handled and really strutted his stuff once he settled. Loved his smile!

3 19 – **Highlander Bending The Rules At Risa**. Striking black, 13-month old with full white markings in teenage coat. Strong, dark pigment and deep pools for eyes. Nice lay of shoulder and mature chest and forechest. Strong loin supporting level top line. Lovely rear. Nice single track on the up and back but needed to move out more on the go around. He used himself better later in the day.

4 9 – **Aellen Zing! Went The Strings Of My Heart**. 12-month old light slate lived up to his name. Everything about him exuded happiness. Of the same style and litter brother to #2. Nice side movement on the final go around. Needs to work better with his handler, but please don't lose that joy! Channel it.

**Veteran Sweepstakes**

Congratulations to the owners of the veterans for keeping them in such great shape. Judging these classes was the most difficult part of the assignment.

**7-10 Year Dogs**

1 51 – **GCh Willowisp Never Say Never**. Handsome chestnut well-conditioned dog. Strong, masculine head. Nice bone with well-angled shoulder, deep chest, and powerful front. Moderate loin and turn to stifle. Lovely presentation. Moved out. Looked every bit his father's son.

**10 Years and Over Dogs**

**Best of Opposite in Veteran Sweepstakes** and 1 31 - **G Ch. Pentangle's Rock 'N Ryland P**. Lovely, dark slate that hasn't aged. Of the style I love. Deep, dark eyes; engaging expression, well-angled shoulders, proper length of upper arm, deep chest. Proper length of loin and great condition gave him a strong topline. Moved out.

**7-10 Year Bitches**

1 32 – **Ch. Spindrift Something About Mary**. Feminine, dark slate with engaging expression, full muzzle, deep pools for eyes,

**12-16 Month Bitches**

1 and **Best of Opposite in Specialty Sweepstakes** 46 – **Dunnachie Treasure Like Fyvie**. Feminine, elegant 13-month old brown in her cream phase. Strong pigment and proper eye color toning to coat. Nicely proportioned for her age and size. Needs to develop some forechest. Lovely bend of stifle and rear. She won the class and BOS on her easy, full stride on the go-around and clean tracking up and back. Littermate to BPISS.

2 58 – **Aellen Cara Mia**. Pretty 12-month old slate in her light phase. Inquiring, happy expression. Lovely length. Equally proportioned front and rear angles. Effortless side movement. Tail carriage came down the more she moved. For my taste, she needs a smidge of height given her length. It should come with age.

3 36 – **Highlander Beyond Wildest Dreams**. Very dark 13-month old with pigment and eye color to die for. Beautiful expression. Nice substance and well proportioned front to back. Not reaching as well as she is built to do. She moved better later in the day.

4 14 – **Runningmtn Song of Freedom**. Lovely mahogany brown in full coat. She had good substance, nice proportions and was built to move well. Unfortunately, she wasn't in sync with her handler on the day

solid pigment. Full white markings. Well put together with athletic, flowing movement. She pushed hard for Best Veteran but wouldn't show off her flowing neck and lovely front on the **stack**.

2 28 – **Ch. Springhill's Bootscootnbooggie**. Pretty, dark, well-coated slate. In good shape with substance and nice proportions. She wasn't too happy on the move and made her handler work.

**10 Years and Over Bitches**

**Best in Veteran Specialty Sweeps** and 1 – MACH 2 **Dunnachie's Buffy Slays Me**. 12 ½ year old not showing her age. In fantastic shape. Lovely type and outline. In full coat, gorgeous expression with dark eyes. Very well structured front with nicely-angled shoulders, length of upper arm, prominent prosternum, depth of chest and proper length of rib and loin. Rear structure matched her front giving her means for ground covering movement holding her top line level, when she finally woke up and got to work! I would be proud to call her mine.

*Thank you again to everyone who gave me the opportunity to judge their dogs.  
Respectfully submitted, Dr. Catherine Goetz Perry*

Northern California Bearded Collie Fanciers Specialty – June 6<sup>th</sup>, 2014

I thank the Northern California Bearded Collie Fanciers for inviting me to judge their Specialty. It is some time since I last judged in California and I was delighted with the quality entry that awaited me. I thank all exhibitors for their entries and the spirit in which my placements were taken. Always remember, that whatever the judge thinks on any particular day, you always take home the best dog! I felt the quality of the entry was very good indeed and what a delight the very first class was; all four dogs were of excellent quality. I was splitting hairs and their placements could easily have been changed on another day, which was the case with many of the other classes. Loins have certainly improved since I last judged. The breed looks in good shape in this area of the country, especially amongst the younger classes. Heads in general were excellent and I saw many "to die for" expressions. Fronts and rears were good too. Breeders should be proud of their stock - keep up the good work. My only concern was the number of level bites. I counted 10 in all which was 20% of the entry. Although acceptable, it is not something I would wish to see continue in that number, the bite ideally should be a scissor one, so please be careful. Here I go again, please do not trim.....who came up with the idea that the trimming of the ears makes a Beardie look better!

**12-18 month Dogs** (A wonderful class of 4 quality dogs)

1. Prassa's – **DUNNACHIE XAVIER** – Topped this excellent class of males. He has everything I was looking for in a dog of his age. Wonderful head, eye, expression. Lovely neck, leading to well placed shoulders. Good body, depth of chest with good rear angulation to match his front assembly. His movement reflected his make, simply floating around the ring. Well presented. This dog has great potential. Pleased to be able to make him my **Reserve Winners Dog**.
2. Guthiel, Tilson, Dozet & Harris's – **HIGHLANDER BENDING THE RULES AT RISA** – pushed first place dog very hard indeed. So many of the comments of the first place dog apply to him also. He excelled in his head and eye, presented in top form, another dog with a great future
3. Leonard & Kehoe's – **AELLEN ZING! WENT THE STRINGS OF MY HEART**- Another dog of excellent type. When he settled he moved well, covering the ground with a nice easy stride. Presented well, yet another dog with a promising future.
4. Remell's – **AELLEN THE SON ALSO RISES** – No disgrace being fourth in this quality class. He has everything in the right place with a lovely head and beautiful body. Not quite as settled on the move and would like to see him a little tighter in the rear, but he is young and am certain this will happen given time.

**Amateur Owner Handler Dog**

1. Robbins's – **RISA'S STROKE OF GENIUS** – A nicely put together boy, who was presented in good shape and condition and had a nice outline. Handled very well and moved in unison with his owner.

**Bred by Exhibitor Dog**

1. Thomas, Harold and Dunn's – **DUNNACHIE WAY TO BE AT PENTANGLE** – This lovely boy is so well balanced. He has the best of heads with lovely eye giving the melting expression one desires. Strong arched neck leading to well placed shoulders, good ribcage and nice short loin. Good rear angulation and in great coat and condition. Just to complete the picture he moves with ease, covering the ground with long strides. There is nothing to dislike about this boy. I was delighted to be able to award him **WINNERS DOG**.
2. Myers-Buhite's – **SKYEDANCE HAPPY AS A LARK** – Lives up to his name, a really happy boy. One of the best ribcages I had the pleasure to feel, with a lovely short loin. In great coat and condition and presented nicely.

**Open Dog**

1. Glow's – **CHANTILLY'S MASTERMIND** - Nice masculine looking dog, with a lovely head and expression, presented well and in good coat and condition. Good front and rear but would prefer a little more length to his body.

2. Fronig & Ritter's – **BRITANIA MAKE IT SO** – This boy looks great standing and is presented in top form but unfortunately does not have the front of the first place dog. Good shape head and good eye toning with the coat.

**Veteran Dog 7-10 years**

1. Hale & DeBorba's – **G.CH. WILLOWISP NEVER SAY NEVER** – This masculine brown was a delight to go over. At 9 years of age he is a credit to his owner. First class head and good eye toning with his coat. Nicely put together and covered the ground well. Presented in good coat and condition.

**Veteran Dog 10 years and over**

1. Prassa's – **G. CH. PENTANGLE ROCK'N RYLAND P** – I have been a long time admirer of this dog and so it was with great anticipation that I went over him. There is nothing to dislike about this boy. He is simply an excellent example of the breed. The best of heads and expressions, good rib and nice loin. Good front and rear angles which gives him that lovely flowing movement where he simply floats around the ring effortlessly. I was delighted to award him **BEST VETERAN & AWARD OF MERIT #4**.

**12 – 18 months Bitches**

1. Colavecchio & Hargis's – **AELLEN CARA MIA** – This ultra feminine girl is very striking. She covers the ground well in easy flowing strides which one would expect from her good front and rear angles. Nice deep chest and good length to her rib. Lovely head and expression and in excellent coat and condition.
2. Caswell & Meiras's – **ABELOUR'S FOR THE LOVE OF THE GAME** – Pushed hard for the win in this class. Another nice girl, who will be one to watch in the future. She has a very feminine head with lovely melting expression, good body proportions, in great bloom. Moved well.
3. Kinney, Harold & Dunn's – **DUNNACHIE TREASURE LIKE FYVIE** – Litter sister to the Reserve Winners Dog and like him she has a first class head and the darkest of eyes. Lovely body shape and outline and in good coat. Did not cover the ground as well as the top two.
4. Bibeau & Jordann's – **HIGHLANDER BEYOND WILDEST DREAMS** – Another good quality female with the sweetest of head and expression's. Presented well in good coat and condition.

**Bred by Exhibitor Bitches**

1. Banfield, Hale & DeBorba's – **WILLOWWISP ECHO OF THE PAST** – Just my type of girl. Lovely feminine slate with excellent head and eye. Nice outline and shape. Well placed shoulders resulting in nice easy flowing strides. Presented in excellent coat and condition. Pushed hard for the Winners ribbon but had to settle for **Reserve Winners Bitch** today.
2. Harris's – **SPINDRIFT LOVE COMES SOFTLY** – I liked this girl and many similar remarks apply to her as to my first place

dog but she did not cover the ground as well as the winner of this class today. Another dog that was well presented and in good coat and condition.

- Ryder's – **RYDERWOOD ALL GOOD THINGS** – This girl was in good coat and when she settled covered the ground well. A little fine in the muzzle but had a sweet expression.

#### American Bred Bitches

- Wiley & Ritter's – **BRITANIA BADDABING** – Nice outline on this girl, in good coat and condition. She has a lovely head and good eye colour toning well with her coat. Throws her front a little when she moves.

#### Open Bitches (Lovely class of young ladies)

- Baker & Thomas's – **PENTANGLE'S PLEASE STEP BACK** – I love this girl. She has everything, apart from the eye colour. However, her make and shape is to die for. She has a sweet head, well arched neck, good shoulders and excellent rib cage and length of loin coupled with good rear angulation. She is in great coat and presented well. She simply eats up the ground in good long reaching strides. **WINNERS BITCH, BEST OF WINNERS AND AWARD OF MERIT #5.**
- Thomas's – **PENTANGLE'S GO ASK ALICE** – Another quality girl. This female certainly knew how to cover the ground in long easy reaching strides which came from her good marriage of front and rear angulation. Beautiful head and expression with the darkest of eyes. I wish she were a little shorter in the back. In great coat and condition.
- Thompson, Andreassend & Ritter's – **SEBRING HIGH FASHION** – Lovely girl who was unlucky to come up against such good dogs in front of her. There is little doubt she will gain her title as she is nicely put together and has a quality head and expression. Presented in good coat and condition and showed well.
- Palozzola & Pavlich's – **CHANTILLY'S BEAUTIFUL MIND AT SPRINGHILL** – Very feminine young lady who again has everything one is looking for in a Bearded. Beautiful head and expression, moved well and presented in top form.

#### BEST OF BREED – Scott-Wathan, Zagarella & Olivera's – G. CH. SCOTT RAGTYME YOU ARE THE MUSIC IN ME

This outstanding black female is simply fantastic. She has the best of heads and that wonderful melting expression that you cannot resist smiling at. Beautiful arched neck leading into well placed shoulders, excellent depth of chest, good length of back and good rear angulation, nice short loin. In great coat and condition and to top everything she simply floats around the ring. I could have watched her all day. Thank you for showing her to me, I love her.

#### BEST OF WINNERS – PENTANGLE'S PLEASE STEP BACK

**BEST OF OPPOSITE – Yura, Symes and Ipser's – G. CH. WIGGLESWORTH THRILLER** – I was impressed with this boy. He has a lovely masculine head and excellent expression. He

excelled in body, length of rib and excellent loin. Covered the ground well, using his good forequarters and rear angulation. He was presented in excellent coat and condition. Another fine example of the breed.

**SELECT DOG – Froning's – G. CH. PENTANGLE'S FOREVER AND BACK** – Wonderful head and expression and has a beautiful outline when standing. Nicely put together and presented in first class coat and condition. He moved so well today, better than I have ever seen him move before. Pushed hard for Best of Opposite, I was very impressed with this boy, at 6 years of age he is just coming into his own.

**SELECT BITCH – Rusko's – CH. LARKANGEN'S AMERICAN TRENDY GIRL** – This girl has matured into a very nice Bearded since I first had the opportunity to go over her. She has everything in the right place, so feminine with a gorgeous head and expression, lovely shoulders, good topline and good rear angulation, nice short loin and presented and handled to perfection. Overall, a very pleasing picture. She is only just three years of age and therefore must have a very bright future.

**AWARD OF MERIT #1 – Desmond, Quadland and Dixon's – G. CH. DREAMCHASER FOLLOW YOUR DREAMS** – This dog I have admired from the ringside for some time and he does not disappoint when going over him. Well put together boy who has the best of heads and expressions. Good body and nice topline, covers the ground well. Although groomed and presented well would have liked a little less of the obvious trimming.

**AWARD OF MERIT #2 – Smart's – G. CH. SPINDRIFT BEND IT LIKE BECKHAM** – Another very masculine dog who has it all. He excels in head shape and eye colour. He has a great outline and good body, nice angles fore and aft. Moved freely and kept a good topline on the move. Presented in excellent coat.

**AWARD OF MERIT #3 – Buck's – CH. AELLEN BE DAZZLED** – This very feminine girl took my eye as she entered the ring. She covers the ground with easy flowing strides. Sweetest of heads and expressions, well put together, presented in good form.

#### AWARD OF MERIT #4 – Prassa's – G. CH. PENTANGLE ROCK'N RYLAND P

#### AWARD OF MERIT #5 – Baker & Thomas's – PENTANGLE'S PLEASE STEP BACK
